SAFeway STEAKS WITH FLAVOR AND TENDERNESS GUARANTEED. "Now," housewives ask us everyday, "can Safeway Stores be so sure of the quality of their meats. How can a money-back guarantee be given on every steak, chop and roast that is sold?" The whole answer is in Safeway's 5-step plan of meat retailing. Through improved meat selection, scientific meat aging, wasteless cutting, continuous temperature control, and daily deliveries, it is impossible for Safeway meats to vary in quality. Thus Safeway's guarantee is far more than a "money-back" promise. It is a guarantee that you'll never have cause to ask for your money back. But the biggest thing about the Safeway plan is the meat itself. There's where the proof of the quality lies. One bite from a guaranteed steak will tell you more about the quality of this meat than a hundred pages of words. Step in your neighborhood Safeway today. Select your favorite steak... Safeway is holding a Steak Sale this week. Let your family test the flavor and tenderness of Safeway Guaranteed Steaks. You do not need to risk a penny to learn for yourself about these finer meats.
